

Before completing and submitting a donation / sponsorship request, please take into consideration the definition of donation/sponsorship used by DPTU Buchim DOOEL Radovich:

Sponsorship is defined as a voluntary financial payment, provision of goods or services for a specific project or a specific activity, which provides a direct benefit to the sponsor, such as promotion of the name, company or trademark.

A donation is defined as voluntary and unconditional assistance in money, goods or services that does not create a direct benefit for the donor, nor an obligation for repayment by the recipient of the donation. A donation may be provided for purposes of public interest or to support the activities of the recipient.
